

- **Lamps** – Different kinds of lights are great options, as you will help light up their home. A warm lampshade for the bedroom is an amazing **gift for newly married couple**, because it is pretty as well as very practical.
- **Kitchen utensils** – You cannot go wrong with anything kitchen related. Be it something valuable like a microwave, an induction or lavish dinner sets, to something affordable like pressure cookers and cutlery, kitchen utensils are sure to be appreciated in a newlywed's new kitchen.
- **His and hers** – His and hers gifts are thoughtful gifts. You can personalise it to match the likes of the bride and the groom. For some ideas, get her jewellery and aromatic candles; get him a watch and cologne to truly make each of them feel special.
- **Bedding** – Bedding material is a highly practical **gift for newly married couple** because a new home always requires more quilts, duvets, bed sheets and pillowcases.
